**Water Tank Approved at St. Stephen Church**

**Annapolis, March 15, 2023** - This morning the Maryland State Board of Public Works met to review a \$55,000 grant to the St. Stephen's Catholic Church for the acquisition, planning, design, construction, repair, renovation, reconstruction, site improvement, and capital equipping of a water tank at their property in Kingsville. We are happy to inform you that the grant was approved. We believe this project is very important to the entire community of Kingsville that does not have public water. We are happy to have worked with St. Stephen's Church, the Kingsville Volunteer Fire Company, and the Greater Kingsville Civic Association on the approval of this water tank that will serve Kingsville at large.

We are committed to maintaining the rural character of Kingsville as well as supporting local communities.
